# *All the amazing things we did in Lithuania*

- Visited Marijampolė and did a scavenger hunt
- Visited a famous Printing Press
- Visited the capital of Lithuania, Vilnius and explored it
- Went swimming in a water park after exploring a health resort
- Enjoyed free time with the other Participants
- Worked for our newspaper

# *Our personal favorite memories*

- A sleepover Michelle, Julia, Christina and the other participating exchange students from Spain and Lithuania did at Aisté's house
- Going bowling with our exchange students
- Having a Good-Bye Party with everyone
- Going to the movies with our exchange students
- Visiting other cities of Lithuania
- Going to the mall
- Enjoying free time with our exchange partners

# Why do we think everyone should participate?

- It was an amazing experience
- We met a lot of great people
- We got to explore a part of Europe that is not as popular
- We got to make memories that we will never forget
- We experienced a totally different country and culture
- We improved our english
- Bonded with different people all over Europe
- We were part of a big program to bring Europe closer

If you think about participating in Erasmus+ 2016-2019 because of many different reasons, we advise you to take this one-in-a-lifetime opportunity and just go for it! You will meet amazing people, have a great experience and improve your skills for future references.
